Wichita Falls 2020 Ranch & Farm Expo

Attendees and vendors are being asked to mark their calendars for March 11 and 12, 2020 for the 11th annual Wichita Falls Ranch & Farm Expo.The event brings over 400 vendors from different parts of the country and Australia together, in over 175,000 square feet of exhibit space and not the mention over $5000 in prizes and giveaways.

Once again Star Expos are leading the field in technology as we are excited to be adding hemp components to our shows. Agriculture has been waiting a long time for this opportunity. Hemp production will allow producers to diversify their farming programs and create new markets. The benefits of hemp to the ag industry are massive for the future of agriculture. Commodity Exchanges are being created for both industrial and medical hemp products giving buyers, sellers and traders the place and tools to trade.

"The show staff is excited about the new and exciting activities and seminars that are coming to the 2020 Wichita Falls Ranch, Farm, & Hemp Expo. It will be the premier livestock and farm equipment show in the U.S, but that's not all, there is something for every attendee," says Darren Dale, show owner. Admission and parking are free.

Exhibitors include numerous cutting edge displays for farm and ranch equipment, seed and chemicals, agricultural services, irrigation manufacturers, financial providers, commodity organizations, colleges, governmental services, home services, furniture and art galleries, boutiques, hats, boots and much more. There truly will be something for everyone.

The "Live Show" stage, with your host Jared Slagle, is back by popular demand! The "Live Show" stage will host seminars, demonstrations, interviews, educational information, and even a little music.

The 11th Annual Wichita Falls Ranch & Farm Expo will host multiple horse training demonstrations by a great clinician named "JD Wing," who is the head horse trainer for the Tee Cross Ranches.

The Tee Cross brand was the first brand registered in the State of Colorado and is synonymous with quality in both its Quarter Horse and cattle operations. Tee Cross Ranches have produced their own breeding program of outstanding Quarter Horses used not only on the ranch but having produced quality horses used in competition around the world. The horse training demonstrations are brought to you by Bobby Norris Real Estate and Attebury Grain.

A large industry trade show runs in conjunction with the annual Wichita Falls Ranch & Farm Expo and a Consignment Bull Sale is planned for Thursday afternoon at 1 p.m. Also, in conjunction with the Production Bull Sale, we will be hosting an FFA Benefit Auction. Several area FFA Chapters and Alumni will be participating and will auction off an item that they have made in class. All proceeds generated from the sale of the chapter's item will go directly to that FFA chapter. Give us a call to get your FFA Chapter involved, or simply make a class project and bring it to the expo.

Hemp industry expert Brian Waldrip will be featured at the Star Expo events. Waldrip is a personal friend of Darren and Tana Dale – Owners of Star Expos. With over 20 years of experience in agriculture in multiple growing climates domestically, Brian is a leader in sustainable practices of the emerging U.S. hemp industry. As an active hemp farmer currently based in the four corners region of Colorado, Brian has unique experience to help first-time farmers be successful. Knowing what works, what doesn't work and how to identify your

niche in the industry are all priceless aspects of establishing a profitable operation. Brian brings his experience and exciting public speaking skills to our Hemp Expos to guide you into the projected multi-billion-dollar industry that is U.S. hemp.

Brian will be covering topics including

- hemp production for CBD extraction
- hempseed oil & fiber production
- methods to maximize yields with minimal startup cost
- offer a full overview of the many ways hemp can become a consistently reliable crop as well as invigorate your local economy

Continuing Education Credits (CEU) classes are offered at the Expo. Texas and Oklahoma producers can fulfill their credits by attending. CEU classes are brought to you by Texas A&M AgriLife Extension.

The festival will be held at 111 N. Burnett at the JS Bridwell Agricultural Center which is part of the MPEC in Wichita Falls, Texas. Doors open at 9 a.m. accompanied by various demonstration and showcase.

This annual Wichita Falls event is a Vendor space is still available. To reserve a booth space go online to download the application or contact the expo office via email or phone to receive an application.

For more information and Admission contact the show office at 866-685-0989, or by email at dales@wichitafallsranchandfarmexpo.net and visit the website www.starexpos.net.
