May all who enter as guests,

940-825-5111

For seven generations the Robert Fenoglio family has lived and grown in Montague County. While some have moved off for education or personal expansion, we maintain a close-knit relationship with each other that is easily portrayed to those who visit, shop, and dine with us.

Stay over with us at the Veranda Inn and RV Resort where we'll make you feel like part of the family. Enjoy a down home breakfast or an original "bowl of crap" at Fenoglio's BBQ. And don't forget to visit the Boot Store, outlet for Fenoglio Boot Company, where you can be outfitted with classic western attire and accessories and, of course, some of the finest cowboy boots.

A Fenoglio or two can usually be found at any of our locations and we're sure to leave a lasting impression if given the opportunity.

School

Lindsay ISD has achieved Exemplary School ratings for both campuses, with an emphasis on academics. Lindsay boasts an extensive curriculum and outstanding student performance. Lindsay ISD is involved in UIL and has won the state UIL Academic Championship 15 times, State OAP 6 times, LoneStar Cup 6 times and 5 State TMSCA Championships.

Recreational Facilities

The City of Lindsay has excellent recreational facilities including a 14.5-acre park with shaded pavilion, picnic tables and playground area. A kitchen is available for large functions. The Park has a 1/2 mile walking path, lighted tennis court, sand volleyball court, softball-baseball field, gaze pit, 10 sets of legally sanctioned horseshoe pits and a full disc golf course which extends into the smaller park on Parkview Drive.

Entertainment and Events

Lindsay celebrates its German Heritage with Oktoberfest, held annually the first Sunday in October, as well as the Homecoming picnic held annually on the last Sunday in June. This brings the community together for food, frolic and fun. Lindsay has three restaurants serving Texas barbecue and authentic Mexican food. They also serve hamburgers, steaks, pizza, and sandwiches.

Historics

Lindsay is proud of St. Peter's Church, a painted church, which is a Texas Historical site. The current structure was completed in 1918, after the original church was destroyed by a cyclone. An almost \$5 million renovation was taken on by the parish in 2011-2012. The goal of the project was complete restoration of the original church. The church has many beautifully stylized painting and hand painted statues. The church is opened to visitors each day during daylight hours.
